Unscheduled Report  
Brussels USEU [BE2], E2

All red meat imported into the EU has to originate from EU approved establishments. Today, November 12, establishment 960-960A Greater Omaha Packing Co, Inc. has become eligible to ship fresh bovine meat to the European Union. The new approval covers both the Greater Omaha Packing Co. Inc slaughter and cutting/boning/cold storage facility.

The complete up-to date list of all U.S. establishments that have received EU approval is available from our website at <http://www.useu.be/agri/estab.html>.
